

9-1-1 and Me

E-Comm 9-1-1
Help us help.

Today was a special day for Ali because he learned how to dial 9-1-1 in an emergency. He was so excited to show his grandparents what he learned.

Grandma!
Grandpa!

Ali asked his grandparents to sit together on the sofa...

...and then he went to get the phone.

I learned how to call 9-1-1 today!

This number gets you help if you have an emergency.

* NOTE FOR CAREGIVERS:
Please don't dial 9-1-1 to practise.

We're so glad you learned this important information. Now we should practise!

To Ali's surprise, his Grandpa took the phone, pretended to dial 9-1-1, and said...

Police, please.

I'm so glad I learned about 9-1-1 and now I know exactly what to do!

If you need help from the police, ambulance or fire department, call 9-1-1

Call 9-1-1 if:

**you or someone else
is really sick or hurt**

**you see or smell
smoke or fire**

**you see someone
stealing**

**you or someone else
is being hurt.**
